OUR SERVICES

ACCOUNTANCY OUTSOURCING | B-accounting is fully conversant and up to date with International and Thai laws and we offer professional, tailor-made Bookkeeping and Taxation services designed to meet your specific needs. This allows you to direct your limited resources into more productive areas whilst guaranteeing expertise in local rules and regulations.

PAYROLL OUTSOURCING | For SME's with relatively low employee numbers, B-accounting offers a confidential, efficient and cost-effective option through its flexible payroll service. This includes; Payroll calculations & pay-slip creation; Issuing payment instructions to bank; Withholding tax & Tax Certificates; Calculating Social Security & Government Agency Payments; Electronic Reporting.

PARALEGAL SERVICES | During the lifespan of any business, there will be occasions when alterations need to be made. Whatever changes you make to the juristic body will need to be done correctly. Ensuring that things are done correctly the first time is something that our paralegal services can help with.

OUTSOURCED ADMINISTRATIVE MANAGEMENT | For all businesses, large & small, administrative costs are a burden on limited resources. At B-accounting, we can deliver maximum cost-effectiveness through our Administration management service that takes care of day-to-day matters including; Sales invoicing, Tax invoicing; Receipt issuing (electronic & mail); Management of payments; Tax Certificates and other document issuing / sending.

STATUTORY AUDITING | Annual financial statements, compliant with accepted accounting principles, are legal obligations in most countries and must be provided by independent accountants. B-accounting is fully qualified and highly competent in this process, fully independent and with total respect for the needs for confidentiality. Using latest audit methodology, we guarantee timely and detailed reporting in complete compliance with local laws.
